# **Bodegas Gascon Syrah 2005**

*Mendoza, Argentina*

*Since 1884, the wines of Don Miguel Gascón have been recognized for the rich, smooth flavors that come from Argentina's Mendoza wine region. High altitude vineyards situated along the Cordillera of the Andes Mountains produce full mature grapes for this classic Syrah.*

***“Opaque in colour with indigo glints and aromas of juicy blackberries, smoke, vanilla, spice and cedar with leather and meaty notes. Full-bodied with ripe, peppery fruit, smooth and balanced, bright acidity and lingering spice on the finish. Very tasty!”***
